

## Press Release

### Sebastian Ott: New Managing Director at May & Co. Development

*Hamburg, 30<sup>th</sup> of March 2022* – May & Co. is expanding the management team of its Project Development department: Since the start of the year, Sebastian Ott has been the new Managing Director of May & Co. Development GmbH in charge of the logistics asset class. His core duties include expanding the business areas of new developments, lettings and acquisitions. Ott (52) is coming to his new employer after ten years at the listed property group SEGRO.

His most recent position was Investment Director for Northern Europe at SEGRO Germany GmbH, where he was largely responsible for the acquisitions/disposals and the portfolio restructuring in Austria, Benelux and Germany.
